## Because timing *is everything.*

Remember when recognition programs gave you just one choice in watches: *men's or ladies'?*

Times have changed and so have watches! They don't just tell time, they make statements. And **Award Concepts** has enough sporty, trendy, dressy and classic styles to please all your employees, even the most fashion-forward.

Take a few minutes to check out **Our GIFT For You**, Award Concept's unique online recognition program. With 15 to 30 watches per collection, it's safe to say there's something for everyone. We're talking top brands – **Movado, Bulova, Citizen, Seiko**, to name just a few. No other recognition company even comes close to our assortment (*or our best-in-class customer service, for that matter*).

It's time to go with **THE BEST** in recognition!
