

IT'S NO MISTAKE... YOU GOT THE BEST!

One reason why Award Concepts clients call us **THE BEST** is our outstanding selection of gifts – not just the quality, but the quantity.

When we prepare your service recognition program, we'll load it full of the name-brand products your employees would buy for themselves (*if they felt like splurging a little*). It's a bit unexpected, but that's what sets us apart from the other guys, as one of our newest clients recently discovered:

Associate Recognition Coordinator,
St. Mary's Hospital & Regional Medical Center

*"So I just have to share some positive feedback from the very first day of our launch. I've had two associates call today, questioning if they were doing something wrong when they saw the high value of the items and the large selection of gifts. They were surprised that they can choose any item under their own login: **yes, even a KitchenAid mixer**, as someone commented! In the past, item selection was limited to about eight items per year of service. **Honorees are very pleasantly surprised!**"*
