Affirm.

# APPRECIATE.

## Attaboy!

Since you're reading this brochure, it's safe to assume you know a thing or two about success...that it starts with hiring the right employees and grows by keeping them on board.

An atmosphere of community, a sense of belonging and a good, solid pat on the back (or two) go a long way towards building loyalty.

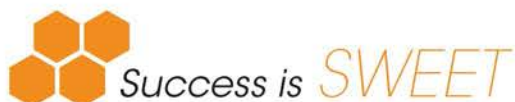

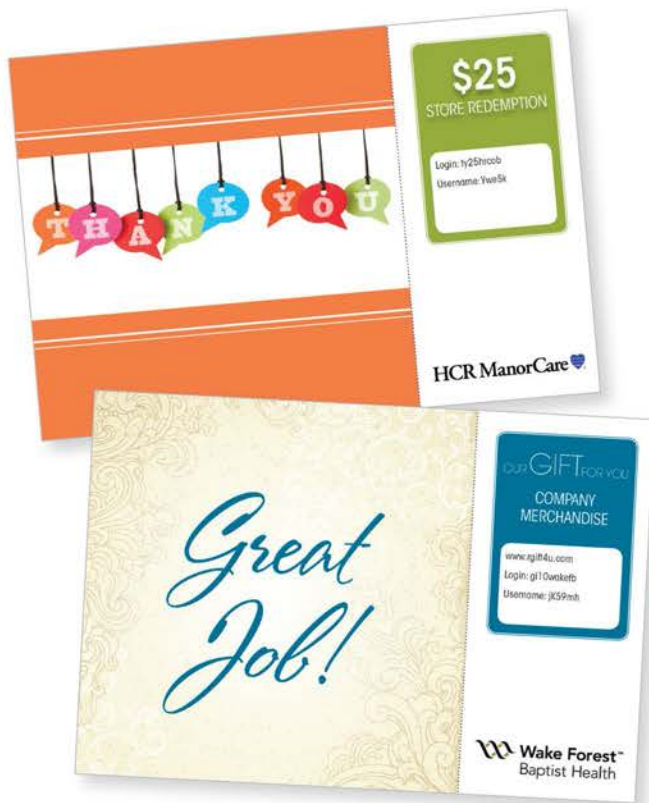

Milestones count, so it's critical to maintain a strong recognition program. After all, *any day* is a great day to recognize a great employee!

# Don't wait to appreciate.

"Great job, thank you!" When you catch someone in the act of doing something awesome, an immediate reward is the best way to make sure it happens again.

Award Concepts' **IGNITION™** software is a fast, easy and effective way to affirm "can-do" attitudes and behaviors. Print off or email a personalized gift card with a log-in to **RGIFT4U** or a coupon for free merchandise from your own organization. A good attitude is contagious. *Turn it on and rev it up with IGNITION!*

LEADING THE WAY TO BETTER HEALTH.

Everybody

# WINS:

Your employees get super stuff, and you get more motivated employees.

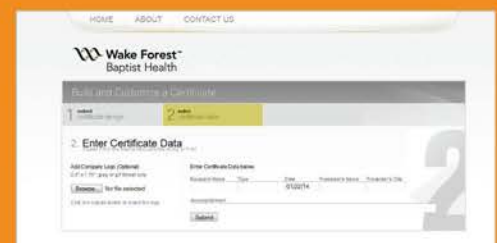

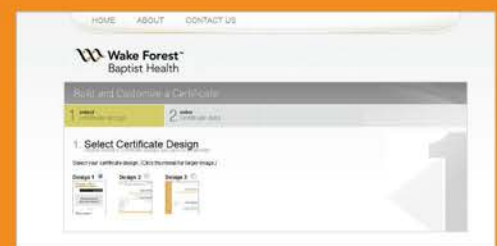

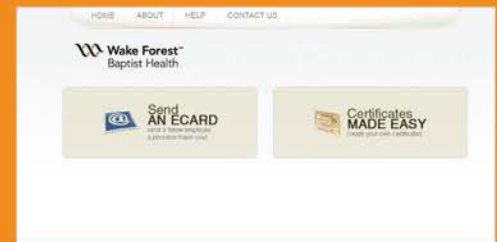

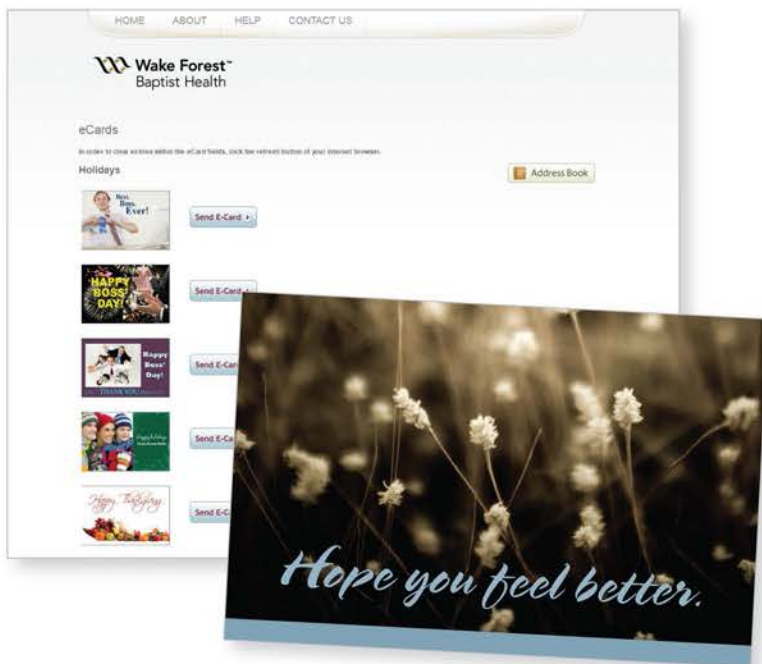

Gauge your  
recognition RPM.

Imagine one easy-to-navigate website for managers with access to the latest recognition ideas and news, [DIY eCards](#) and certificates, [Award Concepts' One-Minute Manager](#), and links to social media and other sites. Now imagine one for employees where they can redeem points and recognize their peers. That's our **Community Dashboard** – recognition at a glance!

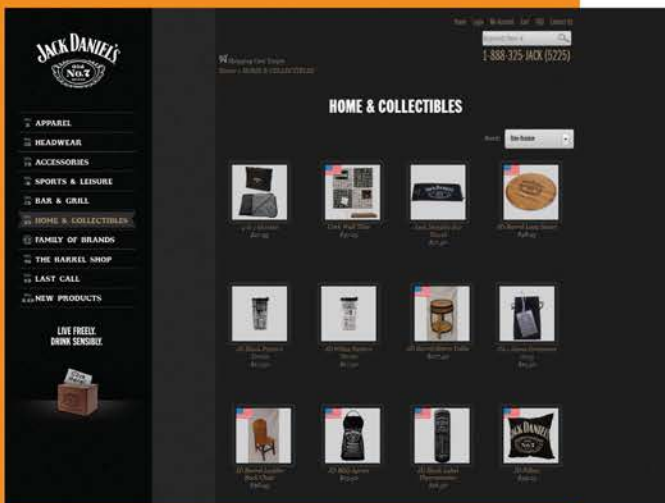

It's a great platform for affirming positive behavior and encouraging cross-pollination among diverse teams.

## Welcome to the motivation mall.

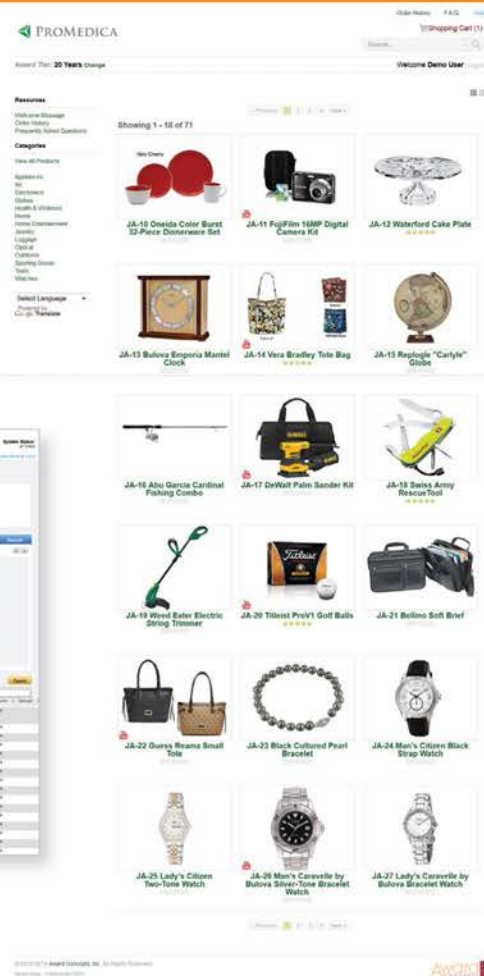

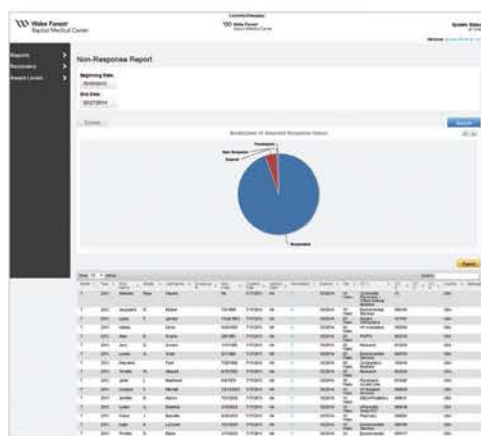

It's THE BEST of both worlds: Award Concepts' engaging **RGIFT4U** online platform, enhanced by a selection of your corporate branded gifts. And this "company store" isn't just for anniversaries: all managers and employees have access to merchandise for retirements, holidays and other special occasions. It's also perfect for customer appreciation. And you'll never have to worry about parking.

It all starts with a gift.
