

THE BEST CORPORATE JEWELRY

When you put your name on something, it had better be **THE BEST!** So when it comes to selling corporate and organizational jewelry, **Award Concepts** is really your only choice.

Crafted from precious metals and fine gemstones, corporate jewelry gifts from **Award Concepts** reflect your uncompromising standards. Right here at our state-of-the-art facility in St. Charles, Illinois, we design and manufacture every item to your specifications, using the latest in CAD software...and more than a touch of old-world craftsmanship!

Because each item is created in-house from start to finish, you can be personally assured of rigorous quality control every step of the way. And after nearly **30 years in the business**, we've built direct relationships with our gold, silver and gemstone providers...and we pass the savings on to you.

Award Concepts proudly creates:

- Elegantly designed and uniquely branded lapel, nursing and service award pins
- Distinctive corporate, safety and sales achievement rings
- Custom jewelry made expressly for Greek, social and professional societies

See for yourself why we're **THE BEST** corporate jewelers around!
