

POINTS PROGRAM

The sharpest organizations count on Award Concepts Points Programs to build employee loyalty, boost morale and drive performance.

This is no one-size-fits-all proposition. You'll get a custom-tailored Points Program that lets you reward what's important to your organization: years of service, job performance, sales, or achievements in safety, health and wellness. You name it, we'll build it!

There are no monthly administrative costs, because we'll design your points platform for easy, seamless management. Best of all, we'll load your program at all budget

levels with the most-wanted items, from traditional selections like watches, clocks and jewelry to more contemporary choices including electronics, sporting goods and small appliances.

Everything points to **THE BEST** name in recognition!
